Form 990, Part I, Line 1, Description of Organization Mission:

The Organization's mission is to care for orphans and vulnerable children in Kenya by providing access to clean water and by partnering with local leaders to provide sustainable solutions which create hope through care, education, and community development.

Form 990, Part III, Line 4a, Program Service Accomplishments:

with our partners and distribute water filters.

Sustainability Programs

Building Projects

o The Valley Light building project is well under way and targeted to complete in June of 2022. This has been where the bulk of our fundraising efforts have been for the last 2 years. There have been many challenges in building a home this size during a global pandemic with material shortages and labor shortages. This will be our largest project to date and we are very excited to see it completed.

o Two acres of land purchased with a deep water well and bottling plant. The property has been secured with a block fence and security gates. This will be used for community trainings, tree seedling farm and a Gender Based Violence clinic and training center.

Sustainability Projects

o Funded a Solar Water Pump Project for the deep-water well which has reduced electricity costs for our partners by 90% so they could reinvest those funds into their sustainability programs

o Drip Irrigation installed at Hope Beyond furthering sustainability efforts and food security

Education Projects

o Funded 73 counseling sessions with Kutoa Project for the children at Valley Light

o Educational Sponsorships - Just One Africa is working with our partners to identify the children with the greatest need of support and match them with sponsors who can help with education, medical, housing, and food costs. This creates an opportunity for individuals and families to learn about the world around them and have meaningful avenues to care for others. We have provided educational support for 52 children attending primary and secondary schools in Kenya.

o We continued a US school partnership in Alabama with a specific focus on support and building connections for our Valley Light partners.

o We continued our partnership Kutoa Project, aimed at addressing the trauma-related needs within caregivers and staff at Valley Light Home.

o We provided trauma training for the staff and teachers at Lenkai School in partnership with Kutoa Project, allowing for the growth of more trauma-informed environments.

Clean Water Program

o Purchased a 4x4 vehicle for our southern Kenya Follow-Up team

o Water Filter Follow-up Program - We continued our follow up program in Central and Southern Kenya. Our southern Kenya team travels weekly to do follow up on our filters in the surrounding area collecting essential data and building good community relationships in the areas

we serve. We continue to gather excellent feedback on the health the filters are providing. This vital process allows us to analyze the water filter data to monitor our success rates carefully and make any adjustments in the areas in which we serve. We are currently collecting the data using a paper-based system and entering it into spreadsheets. Then it is uploaded and shared in a cloud-based system that is accessible anywhere in the world.

- o WASH - Water Filter, Sanitation, and Hygiene training have been provided to over 300+ people in 2021.
- o Recycled Paper Bead Program - This continues to thrive and offers significant support to our Clean Water Program. It provides sustainable income to the women's artisan groups from whom we purchase the beads. The program also provides volunteer opportunities for young people, corporate team building events, and others as they help us to string the beads into bracelets.

Vulnerable Children Monthly Support

- o Lenkai Christian School - 2021 Total \$24,000 (Rescue Center Support)
- o Sponsorship of 52 children - providing full education, room, and board as well as medical treatments and counseling

Just One Africa partners with local leaders to create sustainable solutions for vulnerable children and the clean water crisis. These realities are made possible by Just One Africa donors who have provided many opportunities for our incredible partners in Kenya. They can now move more securely towards providing for the needs of the vulnerable children they care for. Our partners work diligently running schools, an orphanage, and a rescue center. We empower them with viable avenues to build even stronger foundations for the programs they have implemented in their communities, which is what Just One Africa is all about!
